Boxwood Villa

THE MAIN HOUSE located near the heart of the quaint town of Orange, VA, is a historic 3-story home that has been recently renovated and modernized. It's large property is very private and named for the large boxwood bushes circling the house. Boxwood Villa is simply stunning and can be rented for lodging, retreats and events. It has 5 bedrooms, 4.5 baths, a full kitchen and several open spaces with high ceilings that are perfect for entertaining as well as corporate planning.

Event Spaces

Directly in front of the Villa is a large manicured natural lawn space. The vintage white washed brick home, manicured lawn and beautiful landscaping make this space perfect for a ceremony and/or cocktail hour. To the left of the Villa is a lovely wide open field perfect for an open-air or tented reception. On the interior, the large rooms on the first floor have a circular flow and can accommodate a small cocktail/dinner party or rehearsal dinner. The large open "barn-like" third floor is a wonderful addition and can be used for any type of retreat from yoga to serious business meetings. With a ping pong table tucked in the corner, it makes for a wonderful hang out spot, too!

Spotswood Lodge

THE MAIN HOUSE is the quintessential Central Virginia farmhouse. Set in a valley with a pond in the front yard, it's a dreamy location. The house and cottage were designed with groups in mind so there are plenty of living spaces and dining tables. In addition, the Main House has 5 bedrooms and 4 1/2 bathrooms with a full kitchen, a garden room and a piano! It sleeps up to 12 guests total.

THE COTTAGE is located directly behind the Main House and has 3 bedrooms plus one pull-out full sized couch, 3 bathrooms, a half kitchen and one living area. It sleeps up to 7 guests total.

Event Spaces

A large manicured rectangular lawn sits just to the left of the Lodge and is perfect for a ceremony and/or small reception. During Spring & Summer months this area is bordered with beautiful garden beds filled with wild flowers and natural grasses. The small pond and gazebo in the front can also make for a sweet ceremony or photo spot. The new bluestone terrace on the side of the Lodge is best for cocktails or a small dinner. Inside the main house, the circular flow lends itself to a casual cocktail party or buffet dinner.

*Please note that since this is the preferred lodging option for The Market at Grelen wedding parties, spring and fall weekend event availability is somewhat limited.
